Distribution Sources.

WHAT WE DO FOR HME, DME AND PHARMACY:

Health Mobius creates your e-commerce website, backed with a virtual warehouse containing more than 25,000 cash-sale products from hundreds of manufacturers, and provides a tech team to manage it all.

- We create, host and manage your Webstore on our platform
- We handle customer service, live chat, update product catalog, inventory and pricing
- We process orders, submit PO and pay vendors
- We handle all financial and sales tax reporting
- You keep the difference between the retail price paid by your customer and the wholesale price paid to the vendor, less our fees
- Free buying group membership with no minimums and free shipping

HOW WE HELP MANUFACTURERS, BRANDS AND DISTRIBUTORS:

We created a enterprise portal where manufacturers and distributions can easily and efficiently get their products listed and sold on multiple HME & Pharmacy Webstores created, hosted and managed by Health Mobius.

- We upload your catalog and keep product information current on all provider Webstores
- We market and merchandise your products on the provider Webstore helping them drive retail sales
- We participate in product and sales training for HME, DME & Pharmacy and help them profit from your products
- We monitor MAP pricing and provide you tracings

If you are a manufacturer or brand owner who would like to see your items listed in our catalog and made available for purchase on ALL provider's webstores, please call us at 630-325-5150 or visit www.healthmobius.com/partners
